

Pronto Consulting and Support Services

Maximise your Return on Investment on your Pronto ERP

Ramesys offers a boutique styled PRONTO Xi support and consulting service delivered by our in-house team of passionate Pronto specialists.

Our Pronto service is based on a thorough understanding of your mining business, processes and reporting requirements. We are a team of highly qualified accountants, developers, and experienced industry professionals.

We combine our deep Pronto understanding and mining systems knowledge and experience with your operations, finance and reporting processes and requirements to ensure our clients maximise the value of their Pronto ERP investment.

Pronto Consulting & Support Services

Advisory and system support consulting services

Software Enhancements & Workflows

Value added features that improve your Pronto Xi experience

Pronto Process Review & Improvement

Helping you to get maximum value out of your investment in Pronto Xi

Pronto Xi Training Services

We offer group or one on one training for Pronto Xi and Cognos

“The Ramesys team took the time to really understand our company to develop valuable business process improvement reviews, and adapt our ERP System to meet our needs, rather than allowing us to be limited by what the standard software can do”
Nicole Chow, Group Financial Controller

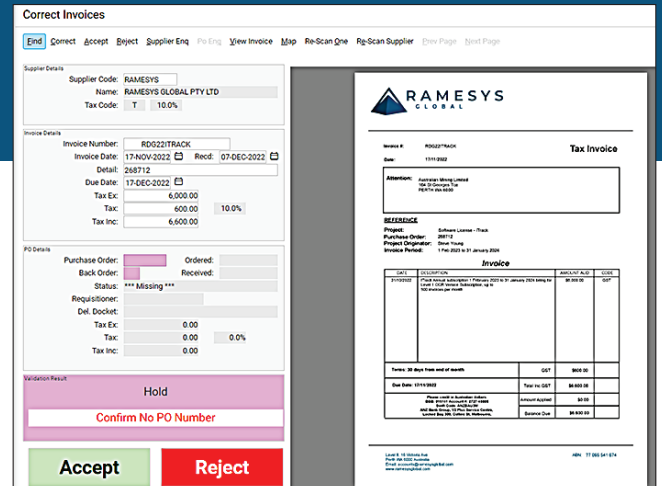

ITrack – Pronto A/P Automation

Invoice Entry, Tracking and Management

Increase Productivity, Accuracy and Visibility to your Accounts Payable

Automatic Invoice Loading

- Scan and enter all invoices into Pronto Xi using built-in (OCR) software
- Validation screen for users to review details before posting
- Vendor invoice entry takes a fraction of the time

Paperless A/P

- Automatically attach PDF format invoices and related documentation to Pronto Xi invoice transactions
- Quick and convenient shared access, saving hours every day
- Guarantees backup documentation is available for every transaction

Powerful Workflow

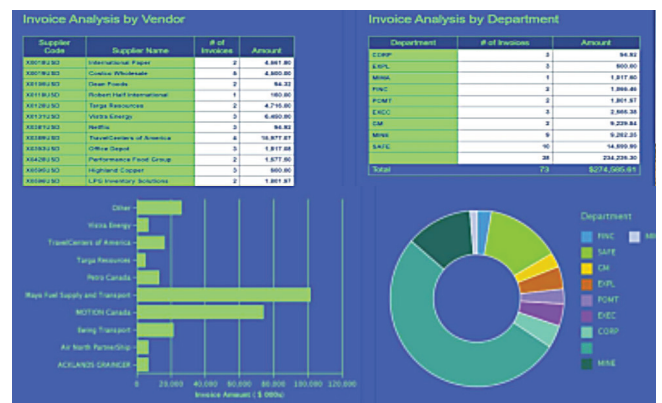

- Powerful workflow ensures full entry, tracking, management and clearing of invoices before processing and payment can occur
- Built within Pronto Xi – no external processing

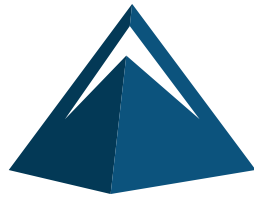

Invoice Alerts

- Staff are notified by email alerts that invoices are waiting for their attention and action.
- Alerts can be customized to suit requirements

Quick ROI

- Cashflow benefits as GST on all supplier invoices is now immediately claimable
- Accounts team freed from hours of manual entry and can focus on higher value tasks
